

Louie's Loot Kids are the BEST!

As a credit union, we are supportive of our Louie's Loot kids. We focus on teaching them how to establish good savings habits, about the credit union, and so much more! We also encourage our Louie's Loot Youth Savings Club members to be outstanding students and good community citizens.

We believe recognition for the positive accomplishments of our youth is important. Therefore, we are adding a special recognition page to the Louie's page. We believe Louie's Loot kids are the BEST and we want everyone else to see it too!

Our "Special Recognition" page will be dedicated to any Louie's Loot Youth member who has been selected for the Toucan Award (A/B Honor Roll), completed a special educational program, has made a positive difference in the community, or who has shown their talents in other outstanding ways. Just take a look at all our fantastic GPCE Credit Union Kids!
