"I thought I would share...something that I overheard my 7-year daughter telling her best friend over the phone. Niamh had gone outside Sunday afternoon after the rain showers to let her best friend know that a rainbow had appeared in the sky.

The rainbow extended south from our house toward downtown.

She let her friend know that the rainbow ended at the credit union because that is where the pot of gold/money is kept. It is also where she keeps her money. She also said that the credit union had a (Louie's Loot) treasure chest and she loved going there."

Thank you for sharing your child's special moment with us! Thank you for teaching your daughter the value of savings at GPCE Credit Union. We hope she will continue to enjoy her Louie's Loot youth savings account and telling others how much she loves the credit union too.
